

Transportation

Coming to the University of Oregon can be an exciting adventure but there are several things one should consider when planning on moving to Eugene and important information for those who already live here. Parking is a limited commodity on campus and off. Students should be aware of solutions to transportation problems in Eugene.

The university encourages you to consider other forms of transportation such as the busses or riding a bike versus trying to battle against other students and staff fighting over parking spaces. Students with a current ID can ride the Lane Transit District (LTD) free of charge. LTD is a convenient way to commute to and from campus, take a trip to the mall, or to the grocery store. Contact the LTD web site at <http://www.ltd.org>, for information on business hours and bus schedules.

- **Student Parking Permits** are available for purchase by students registered for credit courses at the University of Oregon. Students may obtain parking registration materials and instructions from the Department of Public Safety (DPS), which will verify each applicant's student status. Misrepresenting student status can result in parking privileges being revoked and student disciplinary processes and/or criminal prosecution.
- **Motorcycle, Motor Scooter and Moped Parking Permits** are available for purchase by students and members of the university's faculty and staff. The permit gives the registered vehicle authorization to park on campus only in spaces designated for motorcycle parking. Faculty and staff must follow departmental procedures in obtaining these permits, and students should apply through DPS.
- **Temporary and Visitor Parking Permits** are available for faculty, staff, students and visitors wishing to park on campus. Permits may be issued for periods of time from one day up to three weeks. The first stop you should make on your visit to the University of Oregon is at the Information Kiosk on the corner of Beech Street and 13th Avenue. Open weekdays from 7:00 AM to 3:30 PM and the weekend schedule varies depending on events. If the kiosk is closed, or to obtain long-term parking permits, visit the Public Safety office at 1319 East 15th Avenue. For additional information the parking link: <http://safetyweb.uoregon.edu/parking/index.htm>

Permits

	<u>Fall</u>		<u>Winter</u>		<u>Spring</u>

Replacement	\$6

*Please see the web site for most current information

- **Bicycling**

Another mode of transportation is bicycling which promotes both personal and community health. Winter weather in Oregon can be discouraging for bicyclists but it is a fast and easy way to get to and from campus all year long. Campus offers an abundance of places you can lock your bike up while on campus. Bike theft is the largest crime on campus so to ensure against this, get your bike registered at the Public Safety office so they will have on record information in the case that your bike is stolen they can identify it later.

- **Skates, Blades, & Boards**

Skating across the University of Oregon campus can be a great way to get around. Riding safely and being attentive to your fellow pedestrians is an important factor to remember. The university understands that this mode of transportation is also used for recreational purposes. For this reason stunting and acrobatic maneuvers are prohibited on university property. There are areas designated within the community to provide one with space for these purposes. Within Eugene, skate parks are located at or near Amazon Park, Churchill High School, and Lane County Fair Grounds.

- **Transportation Resource Center**

The transportation Resource Center provides a broad range of information and resource referrals for the many transportation options available to students on and around campus. The transportation desk is located on the east building 2nd floor of the Erb Memorial Union (EMU) and you can visit their office Monday – Friday from 11:00 AM – 7:00 PM, and Saturday and Sunday from 9:00 AM to 4:00 PM.

- **Taxi Services**

Another available transportation resource in the Eugene area is the local taxi cab services. Check your yellow pages for an extended list of all available taxis.
